GAYLA DEE ROSE

Gayla Dee Rose of Wynnewood, Oklahoma was born to Raymond Henagar and Jonnie Sue (Melton) Henagar on July 15, 1961 in Ada, OK and passed from this life on November 29, 2013 in Ardmore, Oklahoma at the age of 52 years. Gayla grew up and attended school in Stratford, OK. On October 23, 1980 she married Billy Dean Rose in Ada, OK. After years of suffering with severe back pain following a fall. She had difficulty walking, standing and sitting. She was also diagnosed with Crohn's disease which made life even more difficult for her. Gayla's family celebrates her new life. She can now walk, ride a horse again and is pain free for the first time in several years. She will be remembered for her expertise in baking and cooking. Often creating her own recipes from scratch, she could've have written a cook book herself. Gayla was also blessed with a loving and devoted husband who kept to their wedding vows to love in sickness and in health. For many years, Billy cooked, cleaned, and bathed Gayla. He also escorted her to doctor appointments and hospitals. He sat right by her side through days and nights. Billy was also there to release to her heavenly Father, trusting that she would be in eternal arms. Gayla was unaware of her surroundings during her last hospitalization, but would have been proud of Jeff and Michael supporting their Dad. They helped with farm chores, and took great burdens off of him while he stayed with Gayla. The boys have suffered a great loss. A mother cannot be replaced, she loved her boys above all else.

“ I remember Gayle and her sister, Kim taking me to see all the Disney movies at the McSwain Theater in Ada and dragging Main for a little while after the movie even though I didn't know what 'dragging Main' meant at the time. I remember Gayle letting me play with her Barbie dolls when we went to Aunt Johnnie and Uncle Raymond's house. I remember the baby sheep Gayle let me feed with a bottle and the big black cows that always scared me. Family reunions, sack races, egg tosses, softball games and poison ivy with our cousins, uncles, aunts, sisters, brothers, and grandmothers. So many memories I am lucky enough to have in my heart. And I will always remember Gayle's smile and her laugh most of all. Beautiful is what she will always be to those who loved her. She will be missed. May God be with her family. My prayers are with you all.

“ I was blessed in knowing this beautiful soul. My happiest memory of Gayla is when her and another beautiful lady presented me with my wedding shower. I wasn't from here and all of my family was in Nebraska. She brought me in and made me feel like I belonged. For years I would look for her sparkly blue eyes and pretty smile at the bank and then when she left due to health I would always look for her on her porch and wave as I went to work. I miss Gayla and loved to see her smile when I took baby goats up to see her. She had an infectious smile.. She could always bring me out of a slump with just a visit... I regret there weren't more of them... God has called home one of the most beautiful women I have had the joy and pleasure of knowing... My friendship and love goes out to the family.... William and I are here for you...

“ I always loved visiting with Gayla. She made me laugh, a lot. She was a bright shining light who will be missed greatly by all who knew her. She was an awesome Mom and I knew without her ever saying it that she loved Billie very much. My heartfelt sympathies go out to her family during their time of grief.
