“ I don't remember when I didn't know the Mayberry family, being a Tomlinson from Elmore City. Joel and Jody, I am Linda Yarbrough's sister, a year younger. I am so sorry for your loss of such a sweet person. Latricia was a dear friend in my younger years and stayed so with Linda, who told me such nice things about you all. My thoughts and prayers are with you and all of her family at this time of sorrow. With deepest sympathy,

“ Joel,  
I seldom get into e-mail but decided to check this morning. I was so saddened to read of Trish's passing. I am so sorry that I haven't kept in touch; if I had I would have known about this sooner. Trish was a wonderful woman. I can't remember a time when I saw her that she wasn't smiling. I know from my many years of working with you that she was a wonderful wife and mother, and I am sure that she became a wonderful grandmother. I can't imagine the hurt, sadness and loss you and Jody must be experiencing. If there is anything I could do for you or Jody please let me know. You and your family will be in my thoughts and prayers for many days to come. Bill and I want to send our deepest sympathy. May God be with all of you during this time of grief.

“ First met Trish at church in 1954. Immediately became friends. Loved to hear her laugh and the way that she made everyone around her laugh. She was comfort food for my soul. She was always there in all our activities in church. She was a rock to me during a hard time. She & Joel were always available when needed. Many happy memories remain my heart.

“ I can still hear her laugh, she lit up a room. My favorite time at Ridgecrest was working with Trish in the office and even after she left the office, her and Joel would bring me Durhams dogs! She will always have a special place on my heart. Occasionally she would show up at the office and say “ I just felt like you needed encouragement today”. Really one of a kind. Never heard her say a bad word about anyone.
