“ Nevada was a wonderful man. I worked a Halliburton Mfg as the customer service rep for the domestic field camps while he was the warehouseman at the Duncan filed camp. We talked nearly everyday for several years. I don't ever remember him being anything but nice! I always enjoyed working with him.

“ Nevada was a classmate of mine...Class of 1957. I remember him as a quiet, gentle young man...his many friends that have shared here have provided a kind and helpful snapshot of the man he turned out to be. He was a handsome guy! We were fortunate to know him...he will be missed.

“ I worked with Nevada at O-Tex Pumping in Wynnewood . It was truly a pleasure to work with such a wonderful man. He was always there and willing to do anything he could if I ever needed a hand. I fondly remember that he would always come back to the bulk plant office and make sure I didn't need any help before he left to go home for the day. In my opinion, there has never a finer individual to work with. I will miss him

“ Neva, I'm sorry I cannot be there with you during this sad time. I know Nevada had gone through a lot in the last few years, and so have you as you have stuck by his side and helped him through it all. He was a fighter to the end. At last he finally has peace.
