Such a nice tribute video!! I'll never forget working with Ray and Norma at Hooters Arts and Crafts. He always had that great smile and always made my day a better one when he was there. He was one of a kind and one of the best. Since Norma was his sweet wife's name, he always called me "Norma Yandell"! I'd say "Hi Ray, how are you?" He responded with the same comment everytime; "Pretty good for a bald headed guy!" I loved his sense of humor. He could be seen frequently with a little jar of Carmex ...always putting it on his lips (I think he and Norma kept that company in business!). I'd never heard of Carmex, but have to admit he got me started using it as well..I have many fond memories of Ray and Norma; they quickly became my friends. I like probably many, have not kept in touch, Other than at Christmas time over the years....always with the intent to "get together in the new year!" It never happened and now it never will 😞. I will forever regret not getting to see Ray again after probably more than 25yrs. That saddens me so much, I'll always remember his big ole side hugs, his smile, his kindness and how truly good he was to me. My heart is broken 💔 for Norma, Jeannie, Randy and their families. I know Ray will be terribly missed by all of them and many, many friends. My heartfelt sympathy and prayers for peace, comfort and strength for all to get through this transition of life without Ray. Rest In Peace Ray.

Bill and I considered Raymond and Norma our best friends. Raymond was so good with Bill during his last two years. I will never forget all he did for him. Raymond and I knew each other all our school years, Norma and Bill the same. We went to different little country schools and there was always a fun discussion about who had the best ball teams. Seems like Norma and Bill always won. Loved them so much and will miss him terribly. I just pray for peace for Norma, Jeannie, and Randy. He will be missed by so many.

Dear Norma, my heart is so sad that that you have lost your life companion, friend, and love. I have such fond memories of our time spent visiting with you and Raymond at your home with "The big climbing tree" and how you and Raymond encouraged the Utah kids to go explore. Mom loved you both so much. Our hearts are with you and your family. Sincerely, Monica, Vann, and Tiffany Sutton (Evann Riley's family)

“*Norma, you know I've know you from the very beginning up on Table Top. You're like my little baby sister. Your Mom and Dad were always special to me. I watched you grow up more like a tomboy than a frilly little girl. I watched you grow into a fine young woman. I remember when I brought, Pat, my fiancée to visit at the old house she fell through the porch. We never let her forget it even after we were married. Pat and I often came to the reunions at Park School. We always visited with your Mom and Dad. Pat and I were happy for you when you and Raymond were married. Raymond's job took you all to several distant places over time. It was at Mission, Texas, where Randy met Donna who later became our daughter-in-law. Over the years Pat and I always made it a point to come visit with your Mom and Dad. We always enjoyed them so much. It was a sad day when your Mom passed away. Your Dad and I cried on each others' shoulders as Uncle Tom said, "This is the worst day of my life." Pat and always enjoyed our visits with you and Raymond over the years. We have many good memories. Raymond was always genteel and a pleasure to be around. He always had a smile and a fun sense of humor. I say to you with heartfelt sadness, stay strong with the knowledge Raymond is deeply loved by many others. He is sorely missed. Keep the Faith. Keep the memories that can never vanis . Cherish the time you had together. May God bless and keep you. Know that I love you. I pray for you, Randy and Jeanine. I wish well for all of you. Affectionately with love. - Don*

“*Norma Jean and Family, I am so sorry to hear of Raymond's death. He was such a nice guy from the first time I knew him at Elmore City High School. Hooter's did my and David's wedding flowers 31 years ago; and of course, we had our conversations in Walmart every now and then since you moved back home. You two were such a cute and loving couple all through the years! My sincere condolences go to you and your extended family on your great loss. May God be a great comfort to you at such a difficult time. My love and prayers are sent to you. XOXO Wilma Joyce*

“ We will ALWAYS remember the love and kindness, along with a little "tom foolery", that both Norma and Ray gave to our daughter the 1st year she went to college at OU. She worked for them in the framing department, and she ONLY had the highest of praise for each. When she was at work, we KNEW she was in good hands and didnt need to worry. Any time after when she saw Ray, he would give her a hard time but always tell her, YES, I REMEMBER WHO YOU ARE. It is with sincere sadness that we share in Ray's absence on earth. God needed another dedicated Warrior and he found that in Raymond Ivey. Jeannie, Randy, and dear Norma, we are so sorry.

“ Raymond and I were political opposites, but I respected and genuinely liked him. We never let politics or religion get in the way of a good visit. He was a very decent guy and I always enjoyed being in his company. I think anyone who knew him would agree. I never heard him say anything unkind to anyone.

I will miss him as will many others. My sympathies to Norma and all his family and friends.

“ I have many memories of Uncle Raymond. The most special are the visits with my family filled with lots of "Coffee Talk", laughs, and love. He was a great friend to my Mom and Dad and was always there to lend a helping hand. Uncle Raymond made my family feel special and loved. We love and miss you!

“ My memories of Norma and Raymond go back to High School, over the years our friendship has grown so close. Raymond will be missed by so many, he was a very loved person. The one thing he did that meant more to me than words can say is he and Norma brought several of my classmates to my daughters service. My thoughts and prayers are with Norma and their family.
