“ "Loved her and have so many great memories of Aunt Rosa Lee. Sorry I could not make the service. I went to see her when you brought her to Purcell and this picture of her is the one I want to remember always, because that is just the way she always looked. I know she is having a great reunion in Heaven. Love all you guys and you will be in my prayers." Gail Ray

“ Rosa Lee was my other mother for years as I spent more time with Sheryl up on the mountain than I did at home it seemed. We would always wake up to the smell of a big breakfast before daylight! Brigham taught me how to drink coffee in grade school. Rosa Lee was one of our biggest basketball fans and always let the refs know where she was in the crowd! She supported us from gradeschool to graduation, never missing games. Rosa Lee was an extremely active mom and could even take a good prank after she cooled down. Sheryl and I scared her more than once. I loved being loved by Rosa Lee and Brigham. I am sorry for you loss and rejoicing that she is home now and in no more pain.
Love to all, Lainie Wiley Lee

“ I remember the first time I met Rosa Lee Conner was when she came to our school to serve as our 1st grade “class mother”. She radiated kindness and grace, (and her treats were wonderful year after year)! My prayers to the family are that you are able to continue to feel her comfort from all the loving memories she has left behind. God Bless and love to Terry and Cheryl.
