“ Judy I was saddened when I read the paper today of the passing of your daughter, Alisa, my sympathy, love and prayers are with you and your family.

*Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around. People come into our lives for a reason, a season, or a lifetime. Embrace all equally!*

*With Sympathy to you and your family.*

*There's an unbroken tread that is woven from love, and it keeps family always together...For nothing's as real as the moments we've shared--They live on in our memories forever.*

*As difficult as this time is, may you find comfort in knowing that your loved one will always be with you, and the memories you shared will forever be a part of your life.##imported-begin##Harold Bradley##imported-end##*

“ I was so sorry for your family that Alisa left this worldly home but rest assured she is enjoying a different kind of life now. What a sweet precious woman she was. Always smiling and so kind to everyone. I will miss sitting next to her during church and her always offering me a piece of hard candy. She is enjoying Jesus company now.##imported-begin##Hiwanahia Pike##imported-end##

“ Judy, I loved Alisa so much, I was devastated when my sister told me this morning. Alisa and I got very close in the year and 1/2 I've been back to work here at the paper. I called her Quiser and she called me beezer.. We both loved to watch the nerds and talk about our doggies. I honestly have looked over at her desk a thousand times today, I am going to miss my friend. If you need anything please please let us know down here at the paper.
