“ *Dear Welch Family,*

We met you in ICU and you have been in our thoughts and prayers. We praise God that we were meant to be in OKC at the same time with you, and witness Alan's confession of faith of knowing and loving the Lord Jesus Christ. Our prayers are with you, still we rejoice in knowing that one day you will be united once again with your father and husband. Much love and prayers. Please keep in touch so we may continue to honor God's plan for our lives to intertwine.
