“ *I had the privilege of working for him in the early 1980's. I am sorry to hear of his passing. I have thought of him recently, and wondered what had become of him.##imported-begin##Ted Kittrell##imported-end##*

“ *To the McCurley Family:*

*Please accept my deepest sympathies on the loss of your loved one. Although we never met, we had many lively telephone conversations. I have been his CPA for the past several years and enjoyed working with him tremendously. You are in my thoughts and prayers during this difficult time.##imported-begin##Daphne McGee##imported-end##*
