“ I wish to express heartfelt sympathy at the passing of your husband and father. Alvin Gary lived as a good and kind man. My parents, Ken and Ann Thompson, had great respect and admiration for him. He was special to them as you are Wilma. I have wonderful memories of times we gathered for picnics and at one another's homes. The menu was always the same, burritos, salad, and chocolate cake. What's wrong with that? It fascinated me to see Dennis, Rick, and David stir their father up. You had to smile. Maybe not Dennis. He and Brenda were off to the side talking on and on about nothing. Your family's belief in the gospel of Jesus Christ will allow for comfort in days to come when you will wish for a chance to just sit and talk with him. You are lovely people who made an impact on my life. May God be with you as that is my prayer. Love, Karen Thompson Mann, Idaho Falls, Idaho

“ *Wilma and family..so sad to hear about this wonderful man, but so happy that he is now with His Lord and Savior. He will be remembered and admired for years to come and may I add to that about you being the perfect mate and you both complimented each other and God created a perfect union when you married. What a joy for all who knew him and know you and your children. A glad reunion day is ahead for all who love the Lord and will be with all His children for eternity. Thank you and Alvin for giving me the pleasure of knowing you and your family. God Bless You. With love always... Carolyn and Glen Lively, Atwood, OK.*
