“ Mrs. Flanagan was my parents neighbor until she had to relocate to Texas. She was the kindest loving neighbor lady throughout my childhood. She was a faithful supporter always ordering whatever we sold for school or church fundraisers. My brother and I have fond memories of her and Pat being upstanding citizens. She was always so supportive of my nursing career. Prayers for your loved ones. I know you were greeted in heaven by Pat and all your Kitty Cats. We will love Cat and give him a happy life on earth for you. Brenda Wade

“ Ardis and my Mother worked together at PVGH for many years. Ardis was Mother's supervisor and more than that she was a dear friend. I don't think I ever saw Ardis without a smile on her face. She and Pat were such a happy couple and I am sure he was waiing with open arms to greet her. My prayers are with all of her family at this time.
