“ *Ronette my thoughts and prayers are with you during this most very difficult and monumental time in your life. You will always be loved and hold a very special place in my heart. Words cannot express the grief that I am feeling for you and your family. My heart shares your pain. I cannot say that I know how you feel because I have never experienced the loss of a child. However, it is my belief from what I have been told that the death of a child is the most horrific pain that one can suffer in life. If there is anything that the Gresham family can do for you and yours please do not hesitate to let us know.*

*Blessings,*
