“ *Its been months since I've seen Aubrey but my heart sank when I heard of his passing. He was a good man and a very reliable worker. He loved his family very much. He would show pictures of his beautiful daughter and he was so proud of her. He cared for his mom like no other son I've ever known. He had a loving heart and will be remembered forever and missed everyday. My condolences to his family. Always in our prayers.*

“ We miss you already. It is just not the same here not seeing you stroll thru the shop. Your steady reliability and friendship will be greatly missed by all. I miss not walking out and hearing you yell across the shop "Hey Old Man" as I pass by. I greatly appreciate all the years of service and friendship as I know many others here do.
