“ *He used to have a mare named Toni. He was leading her across the pasture & I was riding her bareback. He tried to get her to run & jump a small ditch. Naturally I fell off & broke my big toe in a perfect S. That was the first of many broken toes & my how he laughed. Loved this man so much.*

“ Bennie told my dad, Jerry Don Mercer, his youngest brother, he would buy a car for him if he finished High School, after their mom died, in 1950. He was a man of his word: it was a 1956, 2 door, 6 cylinder, two tone green, Chevy. My dad held on to this memory for a few years!!!! Bennie would reach out to talk to my dad & mom several times throughout the years, over the telephone. Bennie was definitely a wonderful brother & a high light of my dad's life!

Uncle Bennie helped teach me how to drive when I was 6 years old on a tractor and I have so many fond memories of riding horses as a kid with him and working in the fields, working in the garden and around his cows, he was such a wonderful uncle, I will miss him a lot.
