“ *The first time I met Betty she made me feel very special and welcome in her home. She and I shared a deep love for animals, especially for our dogs, and she even let my Barneydog sit on the sofa, which even her dogs weren't allowed to do. Our friendship quickly turned into a love for each other and I will miss her. Now she's safe in the arms of Jesus. My prayers for comfort and strength for all of you, Donalyn*
