“ God does not make is people immune to the changes of human life, but gives us grace to see things through to a satisfactory conclusion. Throughout it all God stays the same and controls human events in such a way that those who trust in Him will find the comfort and the courage to endure.

“ To Cliff & Dwight & Jackson family. I had the honor of working with Betty on nights at Sorc. She and i had some wonderful talks. She was so proud of you two boys and you filled her life with love. She always called me around the holidays so i could call Lalia Jolly to make her a cake and rolls. One of you didn't like nuts so Lalia started making the cake without nuts. That was your mother taking care of you. We would talk and catch up since the last time we visited. I will miss those visits. Keep the faith during this trying time. “ Cliff and Dwight:

Your mother was a great woman who I always see as one of my first few role modes. She is a woman who handled her business and took care of her family.

Be encouraged, Lord knows you will be asking yourself why Lord... listen to the answer (Romans 5:1-5). When noone else can offer you comfort, b/c there will be times, recall the stern, yet beautiful spirited voice of your Mother, and just think what would my Mother tell me.

We love you and will be praying for you and the rest of your Mother's family!##imported-begin##Nicole Peters-Humes##imported-end##
