

beverly Karen Clark

July 29, 1960 - December 20, 2023

Beverly Karen Clark of Elmore City, Oklahoma was born to Albert Thomas and Lorene Billie Jean (Brown) Clark on July 29, 1960, in Wynnewood, Oklahoma and passed from this life on December 20, 2023, at the age of 63 years.

Beverly grew up and attended school at Elmore City. Her childhood days were spent cutting broomcorn, playing in the dirt, sitting in the shade with daddy, spending time on the creek, honky tonking, cooking with momma, and chaos with Carol. Beverly worked as a housekeeper, cook, and caregiver to many. She took care of everyone she met. Beverly enjoyed cooking and spending time with her family, painting, flower gardening, and taking pictures. The highlights of her life were her grandkids. Beverly loved going to yard sales with Carol, picnics at the park, finding new places to eat with Kenny, laughing at the girls, and cooking for Tom. She taught others to work hard, respect and care for others, and how to be selfless. Beverly will be remembered for always putting others before herself. She will be missed by many.

“ Brandy and the Clark Sisters. If you don't know you should. I always felt like I was a Clark sister. Growing up with Carol and Bev was some of my best child hood memories. We all took up for one other. I still recall how mom's fly swat felt when we wouldn't let Bev sleep with us. Bev would just laugh! Even when we hit her with our pillows the very next morning in our wet PJs. I can still see her laughing while mama Clark went after that fly swat. I love everyone of you girls and thank you for letting me share her life. So sorry for your loss. Brandy if you ever need a hug or a should to lean on. This MaMa Bone heart and arms is big enough for you and Latasha. We love all love you.

“ Her and my younger sister Terri were best friends since childhood. These two ladies were inseparable throughout life until my sister passed away. I grieved as much for Beverly through the years since Terri's passing as I did for losing her. No matter how much I begged I could not convince her to stop the selfless doing for others when she was so sick she couldn't even do for herself, however, I celebrated the day it stopped even though it ended when she took her last breath here on earth. Following Bev's last breath here on earth, I firmly believe within my soul that her lifelong best friend was waiting at heavens gates to celebrate eternal life filled loving joy and happiness forevermore.
