*Beverly was a very special person - regardless of her pain she could always make others feel better - and had the most delightful laugh. To Doyle and family members I feel your pain but I rejoice that she is now free of pain and with our Lord. You were loved on this earth, Beverly.*

*I am so sorry for your loss. Doyle your Wife and boys (if I can call you that) your Mother was the most precious friend I've ever known. Thank you for sharing her with me. I'm certain that her and Dale are exchanging a few stories in Heaven. Thanks for sharing the beautiful tribute, it was so touching. I know it would have made her proud. Lifting you into the presence of the Father, He cares for you! Deb Evans*

“ *Doyle and family - Beverly was a very special lady - regardless of how much pain she was in she always was thinking of the other person and she had such a pleasant attitude. The things I think of most when I hear her name are how she loved Jesus and her delightful laugh. Rest In Peace, Beverly.*

“ *Dear Doyle;  
I remember going to church and seeing the two of you. She was such a great lady, always helping out. She did a lot for me and the kids while they were younger. I remember when Tracy stayed with you guy for a few days and seeing pictures of her and you doing the chores. She never said no and was always available either by phone or in person. Such a beautiful lady. She will be missed by everyone who knew her. Rest in Peace Bev! God bless!*
