

Billie Joan English

January 26, 1931 - July 19, 2008

Billie Joan English passed from this life on July 19, 2008. Mrs English was born on January 26, 1931 to Joseph Marion Clark and Sula Hamby Clark. According to Mrs. English, her place of birth was a cabin at the foot of a Kiamichi Mountain where Pine Creek empties into the Kiamichi River. Both streams were about ¼ mile or less from the cabin.

She attended public schools in Moyers, Antlers and Grant, Oklahoma. She graduated from Grant High School in 1948. She attended Paris Junior College in Paris, Texas, Southeastern State University, East Central State and the University of Oklahoma. She received her bachelors degree from Southeastern and her masters degree from the University of Oklahoma.

Mrs. English was a member of the First Baptist Church of Elmore City. Funeral services will be held there on Wednesday, July 23, 2008 at the hour of 2:00 p.m.. Burial will be in Sunny Lane Cemetery in Del City. She was also a member of the United Daughters of the Confederacy and the Daughters of the American Revolution.

She is survived by her sons, James I. English, III and David English and his wife, Hope, one beloved granddaughter, Megan Hope English, two brothers, David Clark of Texas and James Clark and his wife, Cheri, of Ardmore, and two sisters, Margaret Jolley of Edmond and Marilyn Gilhuly and her husband, Michael, of Marietta, Georgia. She is also survived by several nieces and nephews.

Mrs. English taught at Elmore City, Maysville and Central State University.

She also worked for the Oklahoma Department of Education. From these careers of 42 years in education, she is survived by a host of friends and hundreds of former students. She loved her students and they loved her. In 2003, she was honored by her former students at Elmore City by having the local library named for her.

Mrs. English was a writer along with her friend, Sharon Cooper Calhoun. She published Oklahoma Heritage, Oklahoma Adventure, The Wisconsin Story and Wisconsin Adventure. She also wrote a civil war novel entitled The Price of Blood.

A saying written inside the cover of her favorite Bible summarized how she ended her life: "When we have done all the work we were sent to earth to do, we are allowed to shed our bodies, which imprisons our souls like a cocoon encloses the future butterfly. And when the time is right, we can let go of it, and we will be free of pain, free of fears and worries – free as a very beautiful butterfly, returning home to God."

In lieu of flowers, donations may be given to the Billie Joan English Library at Elmore City, the Youth Department of Elmore City, First Baptist Church or to Oklahoma Baptist Children's Homes. Services are under the direction of Wooster Funeral Home. You may send a condolence to the family at www.woosterfuneralhomes.com.

“ *David,*
I just wanted to say that your mom would be so proud of the message you gave at her funeral. It was not only beautiful, but it was powerful. It was the perfect time to point to the narrow gate that many will not go through because they do not understand what is required in following Jesus. He said "Be Holy, because I am Holy". Thanks again.

“ I loved you, Billie Joan English, first as my teacher, my mentor and then as my good friend. I credit your teachings with my need for the everyday use of good grammar and my love of the reading of exciting literature. (Now watch me make a grammatical mistake!) I heard you had a peaceful death. I am so thankful you are no longer sick nor in pain. We have discussed the cycle of life in the past so I know you were ready to go home when your body when no longer serve your mind or vice versa.

Jamie may remember me from Debbie Hampton or Bobby Rennie's law office in the early '90s. Marilyn (Bitsy) may remember me from EC high school by a stretch. David never knew me, but he did know my baby sister, Patty.

I know your family will miss you terribly. I am sorry I did not take the time to call you as often as I should in the later years, but I cherish those four hour telephone conversations we used to have. (I want to tell Marilyn how excited you were telling me about her taking you to see the Chicago Bulls play in person.)

You were so proud of Jamie, David and Hope, and their successful lives. And Meagan, of course, was the best and brightest child without any prejudice in grandmother's eyes. Brothers and sisters, nieces and nephews, you had good words to say about all of them.

As a testament to how your students loved you, just how many times were you elected as Senior Class Sponsor? And where you are now, you won't have to worry about an old Ag teacher giving you any flack because I feel certain he's not resting anywhere near you for eternity. Do you remember that after you had taught all five of us girls and then our brother, we bought you some gift that had "World's Greatest Teacher" on it. We thought we had really done something then as we had to pool all of our money, but I later learned that many, many students gave you gifts and you just addrd it to your menagerie.

*I want to tell David and Jamie about a time in class you told of when they were preschool and one of them used a triple-negative, "AIN'T DONE IT NEITHER NO-HOW." You said you didn't know which you wanted to do most - teach him not to say "ain't" or attempt to explain multiple negatives to a preschooler, but instead you just laughed and enjoyed the moment while they were little. As the Nana of seven year old twin grandsons, I can appreciate the tales you told me of the boys whom you loved so dearly. When I reared my own son, there were three words he was not allowed to say. One of them was "ain't", one was "ni**er" used by the Ag teacher in class to his Africa-American students to your dismay, and the other was the bad four-letter word. You instilled those values in me as a teacher and moral leader.*

I can't attend your services, but you will be in my heart forever. My heartfelt sympathy is extended to all members of your family.

*Sincerely,
Wilma

“ Mrs. English was a beautiful beautiful person/educator. I know that she is taking charge in heaven as she did everyday on earth. I admired how much her family meant to her and she adored her grand daughter Megan. One of the last conversations I had with Mrs. English was about Megan. She called me and wanted to know where to send her to basketball camp. She only wanted the best for her family and friends. She is a true angel and will be deeply missed. My prayer go out to the family! James, David, and Megan..... I am so sorry for your loss. God Bless!##imported-begin##Daryla Combs##imported-end##
