“ *My friendship wth Bobbie is one of the oldest of my lifetime. We were neighbors, classmates and friends from 6th grade on (1950). Although our lives diverged after highscool, we renewed our friendship at class reunions, and for the past 20 years have so enjoyed seeing each other at those functions. Bobbie "lit up a room" when she walked in and she was so much fun to be with - everyone was always drawn into her circle. She also was such a kind and loving individual. She will be lovingly missed by so many of us.*

*Farewell, dear friend .....*

“ *Bobbie was the love of my life for 65 years, 63 of them married. We first met when we were both in the 6th grade and lived only one block apart. Our love grew in high school where she was a cheer leader and I was a basketball player. She loved every person she met and was loved by all who knew her.*

*There is an empty place in my heart now and forever.*
