I lite this rose candle in memory of this very special man, BJ loved his roses that lined the fence around his yard. They were one of the many topics of conversation. He loved his family very much and spoke passionately about his wife, stating she was the love of his life. I only started sitting with BJ a few weeks back but it seemed we had been friends for a long time, he was so easy to talk to and we had a blast watching NBA, of course we were both OKC Thunder fans. It is sad that I will no longer be spending time with him and will miss him dearly. Bobby, Richard, Connie and the rest of the family - you will be in my thoughts. And prayers.
