“ *Martin Family,
As former owner of Healdton Oil Co., I want you to know that I considered Bonney a good friend that I could share with and we could talk about anything. He was always good to me and my company and was the type of person who you could respect. In my mind, there is no doubt where Bonney's spirit is today, and that is with his maker, Jesus. Remember John 3:16 and Hebrews 4:9. May God bless you and give you peace at this time.*

“ *Mr Bonnie will forever be missed in my heart & the hearts of my family!!! He was the best of the best when it came to being a dedicated & true to heart rancher & farmer! His fertilizer & feed store is what helped to keep my family in business for so many years!!! He was a hard working man with few words but those were words he stuck to! He loved God as much as he loved his friends & family!!! He was a true friend to my family & one that can't be replaced!!! He was one of my biggest supporters & sponsors whether it was high school rodeo, rodeo queen, cheerleading or pageants!!! He loved & cared for his community & ALWAYS was there to lend a hand or help a person out!!! Most of all he loved his family!!! He was a loyal & dedicated husband, father, grandfather & great grand father!!! He was a simple as they come! I'll have to wipe a tear away for awhile & sure miss seeing that hard working man behind the counter in his overalls at the feed store!!! God gained an AMAZING ANGEL IN HEAVEN!!! God Speed Mr Bonnie!!!*

“ *Bonnie is like family to our family. He has always been such a dear sweet loving friend. When I was in school Bonnie would always buy my 4-H livestock animals. Then when my three children started showing livestock he never let my kids down. He purchased their show animals every year. Bonnie also had a smile that lite up the room. I knew Bonnie would also give me good advise on all livestock and farming issues. Bonnie and his family wrote letters of recommendations for all three of my children when they were applying for college and college scholarships. My heart is so heavy with the news of his passing. The world lost a truly great man! A legion. I loved Bonnie and his passing leaves a huge hole in my heart. I can't imagine going to the feed store and not seeing his big smile. Bonnie had a way of making life fun! My heart and prayers go out to his dear wife and children.*

Bonney was a true legion. He was generous man always bought my 4-H livestock and when my kids started showing he also purchased theirs. Now matter what! He ended up with the highest bid. Bonney was like an uncle to me, because he was my dads dearest friend, he was like a grandparent to my kids. Bonney and his family wrote letters of recommendation for all three of my Children when they were applying to college he wrote letters of recommendation for their scholarships. Bonney was an honest, godly man who would always give sound advise and wisdom. HE will be greatly missed! My heart hurts to think he is gone. There will never be a man like Bonney. I pray for his dear sweet wife, children and grandchildren as this is so painful.
