

Brandi Leann Johnson

October 1, 1984 - September 29, 2025

Brandi Leann Johnson, 40, of El Reno, Oklahoma, passed away on September 29, 2025. She was born on October 1, 1984, in Oklahoma City, Oklahoma, to Debra (Copeland) Akins-Eggert.

Brandi spent her early years in Sulphur, Oklahoma, before moving with her family to Maysville in 1996, where she attended Maysville Public Schools. In 2017, she made El Reno her home—a place where she built her life, her business, and many cherished friendships.

Brandi was a hardworking and talented woman who took great pride in her landscaping business in El Reno. Later, she shared her warmth and care working at Kingdom Influencers Child Development Center, where her kindness and lively spirit made a lasting impact on the children and staff. She loved gardening and landscaping, always finding peace and joy in the beauty she created. Brandi's favorite meals were her momma's dressing and baked chicken, and she never turned down good Mexican food. More than anything, her greatest joys were her family and her grandkids, who were the highlights of her life. Brandi never met a stranger—her smile and laughter made everyone feel like family.

She will be remembered for her loving heart, her strong work ethic, and the way she made the world a little brighter wherever she went.
