

Cameron Patrick Millard

March 17, 2000 - October 19, 2016

Cameron Patrick Millard of Pauls Valley, Oklahoma was born to Duane Millard and Shannon Riddle on March 17, 2000 in Oklahoma City, Oklahoma and passed from this life on October 19, 2016 in Oklahoma City, Oklahoma at the age of 16 years.

Cameron grew up and attended school at Whitebead and Pauls Valley. Cameron was known for his warm, contagious smile, a smile he gave up generously and to everyone. Cameron was intelligent, fun-loving, quick-witted, and loved to make people laugh. His friends all say he was lighthearted, but that heart of his-as light as it was-was also a full one, for his fellow Panthers also insist that Cameron was energetic, magnetic, full of charisma, and really knew how to brighten a room with his inexhaustible joy and enthusiastic love for life.

As an athlete, Cameron would have told you this himself-he was a late-bloomer. It wasn't until his 8th grade year that Cameron played his first football game. BUT!!..during that game, Cameron surprised everyone, because EACH of the first five times Cameron touched the ball, his distinctive brand of magic kicked in, and ALL FIVE TIMES, Cameron ran the football more than 40 yards ON EACH RUN to rack up FIVE touchdowns. It's a story we tell because it is a story that really captures and represents who Cameron Millard was as a person. Cameron was a young man who gave his all, wholeheartedly, to everything and everyone.

Cameron enjoyed working on his Jeep, spending time with his family and

friends. He always carried Panther Pride and participated in football and track. His future plans were to become an engineer. Cameron was devoted to the Lord and had special memories of Dwight Mission Church Camp. He was an active member of the First Baptist Church Youth in Pauls Valley. He will be missed.

Cameron leaves a legacy of life because he was an organ donor.

“ Cameron was a student in my Kindergarten class at Jefferson Early Learning Center. He was one of the sweetest and kindest kids. Cameron was smart and funny. I still remember him and his sweet smile. He and his cousin Matthew Tice were in my class together. Matthew was shy and quiet and had a hard time with going in the lunch room... Cameron always took him by the hand, and would sit with him and talk to him to make him feel at ease. I am honored to have had Cameron be a part of my classroom family. I have thought a lot about Cameron over the last week. On Monday I opened a desk drawer I had not opened in awhile, when I pulled it open I found a picture of Cameron and Matthew laying on top along with other pictures of my kids that year. I have passed those photos along to Fawn Riddle to give to you all. Thank you for sharing that sweet boy with me years ago! Thoughts and Prayers are with you all!!

“ Cameron and I have known each other for quite some time. We attended Whitebead together since 1st grade and I have loved ever second I spent with him. He always made me laugh, smile, and made my heart happy 24/7 because he was such an amazing friend, classmate, and brother. He was always joking, laughing, and smiling, making the people around him feel so joyful and loved. I remember basketball games, football games, track meets, and all of our practices together and I cherish every memory I have of him. He impacted our lives more than he thought, and I am so extremely grateful that God gave me the chance to make a friendship with such an amazing and sweet boy. I love you so much, Cameron Patrick Millard. I will see you later on, sweet boy.

“ Cameron was a special young man to me. He was a very smart, respectful, fun-loving kid. I thoroughly enjoyed teaching him in my 5th grade class. His smile brightened everyone's day. We always enjoyed catching up with each other when we saw one another along with one of his big hugs. He will always be one of "my kids!" My thoughts and prayers are with each or you.

“ Even though I personally didn't get to know him most of his life, Cameron had had a huge impact on my life since he came to the Jr. High. I shared my Bio, Spanish, and geometry class with him last year. I had been dealing with the loss of my grandfather and the divorce of my parents. One day I had been told a lot of bad news and I had begun to tear up about it in Spanish. Well Cameron had saw me and came to talk to me and if he had not, there might have been a chance that I would not be here now. He was a comforter -of sorts- and he knew just how to cheer everyone up. He has set a lasting example for me and hopefully others. Through his selflessness and his heart, I am thankful to have met him. Thank you Cameron

“ Although I never got to meet this beautiful young man, I have heard so many wonderful things about him and his life. Shalee will be lost without her little brother, but he will be watching over her from Heaven. This is a very hard time for the family and all who knew and loved him, but with the Lords help, all will find the strength to endure this horrible loss. I love this family with all my heart and my deepest condolences go out to everyone. Sincerely, Kay Riddle Sneed and Rick Sneed

Cameron was in my Pre-K class at Jefferson Early Learning Center. Such a sweet person. I remember trying to figure out if Cameron knew his colors or if he was just playing tricks on us. Turns out he was color blind. Jefferson Early Learning Center offers our sincere prayers and thoughts to all of Cameron's family and friends. Sincerely, Bonnie Beadles
