“ Share a memory of Carl Ray Fields or send condolences to the family. I love this man dearly. I remember him keeping a bag full of change for us when we were kids, couldn't even park his truck, His random messages to let me know he loved me and how special I was to him. I remember you asking me not to leave you and hating that I had to at the hospital. I'll remember our last moments. The last day I saw you and you said you knew I was coming. What a bond we had ❤️ Luv you forever and ever 😊

“ So sorry about Carl. I never called him Carl. I have fond memories of him. May God comfort the family at this time of sorrow. He does not have to feel any pain or sorrows here on this earth like us anymore. I know he will be greatly missed, but be comforted to know that you will see him again one day. May God bless all of you.

So many wonderful memories : I will forever remember that voice, that smile, and that humorous personality. I will miss our long conversations where you had me laughing so hard tears would roll down my face and I had to beg you to stop talking. I will forever cherish our last visit and that last special phone call. So my dear cousin, I love you. This is not good by, but see you later. Until we meet again ❤️🙏
