“ *I always enjoyed going to see uncle Carl. He was always there to help anyone either with a vehicle or a laugh. Him and Stanley always reminded me so much of eachother. R.I.P uncle carl*

“ *When Carl was born, before we kiddos saw him, we were asked, "Do you think it's a boy or a girl?" My sisters & I all said, "Another red headed girl." Were we wrong .....a little blond headed boy.*

“ *Carl always gave 100% at making people laugh. He helped a lot of people by fixing vehicles & charging very little or nothing at all. He would give to anyone that was in need, even though he probably needed it more. Carl, we know your walking streets of gold & we will see you again, until then we will miss you!*
