“ *My father, David Blaker, died yesterday and I was just checking his obit and watching his video. I looked at other names of those who recently died, and saw Carol Carter. She and my parents were good friends in the 60s until we moved to Houston. Even though I was young when we moved, I still remember what a kind lady Mrs. Carter was and what great kids she was raising. I'll bet she's found my Dad by now and is getting caught up on what we've been doing since we left Elmore.##imported-begin##Dawn Blaker Clabough##imported-end##*

“ Dear Creed & Family,

Your mom always had a gleam, a sparkle in her eye...a true gift, a love for life. I know many of you still carry these qualities forward. I spent many hours as a young teen at your mom's home. She always made me feel welcome even though I was there too often and stayed too long. I cherish those times. As you all know, your mother was a kind, gracious woman. Know that my thoughts are with you as you celebrate her life.
Love to all,

“ I met Mrs. Carter in the 70s shortly after beginning my thirty-year friendship with Lynn. From the beginning, whenever I tried to call her "Mrs. Carter" she told me to call her "Carol."

She was always smiling and had a positive attitude. This wonderful lady will be missed by many.

“ I loved my Granny Carol. When I was five years old, she welcomed me into her heart, family, and home. Even though I was Lynn's "step" son, Granny Carol always loved and treated me like I was her blood relative.

Granny Carol knew how much I loved to fish. Whenever it was possible, she would arrange for me to go fishing at Maurice Cantwell's. If I had a good day, I would clean the fish and she would cook them.

When my Dad and Lynn would visit her during the many years that she was at Country Club Care nursing home, Granny Carol was always excited to see the newest pictures of my children (her great grandchildren) and hear about their latest accomplishments and antics. For instance, when Alex was four, he asked Lynn if she could teach him how to read. Her answer was "Of course I can". Alex immediately asked, "How long will it take?"

My fondest memories of Granny Carol involve sitting in the living room, playing with Teddy, drinking a little bottled Coca-cola and watching the many birds in her backyard. Granny Carol was a very special lady, I will miss her dearly.
