“ My mother Aleece Lindsey Downes from Elmore City was in a nursing home in Pauls Valley 1994-1999. Carol was Guardian for another lady there, but he was so kind to my mother, bringing her several small wood carvings and visiting with her every day he was there. I am sure he will be greatly missed by his friends and family.

“ Carol always told me he loved me and gave me a kiss on the cheek. His smile could brighten a room.
