“ *Carol was my cousin as our parents (Trudet and Irene) were double cousins; and we played together as youngsters, visited as young adults and talked on the phone when James was ill. My heart is heavy at her passing as she was an incredible woman and fine Christian. My sincere condolences go out to all of her family. My love and prayers are with all of you.*

“ *Carol was my elementary teacher at Mulhall. She was a huge influence in my life that I have never forgotten. She loved teaching her students and truly cared about each one of them. I will always consider her as one of my balcony people that always encouraged me through life. She was truly a blessing that will be missed.*

“ Dearest Dava,

My most heartfelt condolences to you and your family on the loss of your beloved Mom, Carol. A Mother's Love is profound which makes her passing all the more profound, visceral and soul turning. I can't imagine the myriad of emotions you are feeling. I pray that as you move through your loss and come to your own place of peace with all that has happened, that you find a rediscovered joy and gratitude in the memories that you created and shared together. I know in my heart of hearts that she will be watching over you from her new home in the sky with a fierce love and a guiding hand. How fortunate you were to have her as a Mom and how fortunate she was to experience her miracle in you. Much healing love and light to you my friend as you move through these next few days and beyond. Love you and sending you prayers of comfort. With Sympathy, Maria Baratta
