“ *I've known this family all my life & I remember our families visiting
with each other & us kids playing together. My deepest sympathy to
"Buttons" family as they go through these difficult days now & to
come. Cherish the memories you made with your mom...we only get
one set of parents & when their gone, our hearts are heavy. We
never stop missing them....so I'm praying for Gods comfort to all of
you at this time.*
