“ I am so sorry to hear about Cat-- as Mom always said she was like a sister to her and they had such fun times going to events together and playing their domino games. Please know when I spoke with Cat over the telephone about two weeks ago at the hospital, her voice was so sweet and I could almost imagine her smiling with a twinkle in her eyes as I have seen so many times when she was at Mom's house. I really think she knew who I was when I said I was Lillian's daughter. I wish I had words of comfort, but words fail me at this time. My prayers will be with you and know I am thinking of all of you during this sad time. While I can't be there for the celebration of her life, I send my love. Love to you all. Trish Fowler

“ Dear kid's and family,

I'm sorry for your loss. This is a very sad time, and my prayers go out to the family during this time of bereavement.

I'm sure Cat will be greatly missed, but she will never be forgotten, by family and friends. When I was staying at mama's house Cat used to stop by and visit with me, that always meant a lot to me during my difficult time. She was a caring person and she always had a fun story to tell, she always left me laughing. I wish I had know her better.

I have a group picture of Cat with mama, grandma, Ethyl, Kenny, (I think it's Kenny) Grandma, Nov, Doodle, and little Grandma hanging in my home office that I look at everyday. I like the notion that they are still here and ready to listen, or make a joke, it's comforting.

Cat reached a milestone of 90 years and I am glad she is now at peace without any more pain and suffering.

With love,
