“ It was a pleasure knowing you. Oh the good times at Hillcrest Baptist in Wynnewood. You are pain free and know no sadness. I love picturing you walking with Jesus on the streets of gold along with your loved ones and friends that have gone on before you. I know my nephew is jumping for joy to see his Sunday school teacher. Until we meet again I will be praying for your family.

“ You will forever be loved & missed sweet friend! See you at the pearly gates!

"And I will rise when He calls my name  
No more sorrow, no more pain  
I will rise on eagles' wings  
Before my God fall on my knees  
And rise, I will rise"

Chase, Chance and Cherokee I remember so well what your mom wrote in our 50th Anniversary memory book about how we had changed your family when we moved in across the street from you. Now it's my turn 2 let Cathy know how you all changed our lives. I don't know if it was because we both were Geminis or because we both loved God. We became instant friends. Your kids became my kids. Especially Cherokee who always called me "Harry Lou". Chance, because he always knew where he could find "a clean spoon." Chase, well we still have our "roof top" secret. And JD always there 2 lend a hand. And you Cathy, always there with a hug and a shoulder 2 cry on. I will miss you my dear friend. If you have run in 2 Hal already, I am sure he has asked, "where is my fried fish?" I hope you are looking for my mansion in Heaven and it better be across the street from you. LYF
