“ *Where do I start?.. Never met a strong, kinder and sweetest person. I was Renee best friend & will treasure our time on Earth. We had so many laughs, hard times but we made it through, this crazy world miles apart. You are my family & I will watch over Ashley & Tim. As I promise to you. To Ashley & Tim- when the world crashes down & you want to talk to your Mom, or see her. If your mad, scream let it out. God, is there to hold you, even when your angry. Even when you wished you could talk to her, do it. Talk to her, she listening, when all u wish for is to see her, watch every video u have. I can't promise this gets easier, but with in time it slowly does. I love you Renee, till I see you again, we will party when its my time. And kids Im only a phone call away 24/7. May God, keep you close right now*
💜 *Love you all so much*
