“ *I was so sorry to hear about "Mimi". She was an awesome lady and will be greatly missed. My deepest sympathy to my daughter-in-law, Cristi, Mimi's beloved granddaughter, and the entire family during this difficult time.##imported-begin##Sue Hammond##imported-end##*

“ *Ms.Thurman there's so much to say in such a small space. I love you more than you may ever know. You are the nicest most caring loving hilarious as well as craftiest person I know(next to my Dad and Teo). If I can grow up to be half the woman you were that would be pretty swell. So think of me as I will always think of you. Oh and Calli says hi mimi and she had fun visiting you this summer.##imported-begin##Leeza Hair Plemons##imported-end##*
