

## Charles E. Brady II

August 20, 1947 - March 24, 2023

### Charles E Brady II

Charles E. Brady II entered this life on God's earth on August 20, 1947 and entered God's Heaven on March 24, 2023. He was born to C.E. and Mattie Brady in Wewoka, Oklahoma. Shortly thereafter C.E. Brady moved his family to Ada, Oklahoma so that his children could live in a college town. They located in Latta where Charles attended Latta schools, graduating in 1965. He then attended East Central University in Ada graduating with a degree in Industrial Arts/Speech in 1971. During his time in college, he also worked for the Ada Brick Plant, a furniture manufacturing plant, Hydroconduit building bridge beams, and Reece Scott Manufacturing building church pews. In 1972 at College Heights Missionary Baptist Church while leading singing he met the love of his life – Carla Phillips. They dated throughout college and were married on June 9, 1972 at Katie Missionary Baptist Church. They celebrated 50 years of marriage last year. Charles taught Woodshop and Drafting for 30 years and then Speech, Journalism, English, and a Bible class at Elmore City for the next 15 years. His wife, Carla, taught 2nd grade at Pauls Valley for one year and then 1st grade at Elmore City until 2015 when they both retired. On May 24, 1977, Charles Edward Brady III entered this life on God's earth. On July 15, 2000 his son Charles III married Penni Nolen. On February 1, 2004, Charles Edward Brady IV entered this life on God's earth. On April 23, 2007, Calin Lou Brady entered this life on God's earth. Even though he enjoyed hunting and fishing, his family was the highlight of his life. He and his

family were lifelong Missionary Baptist devoted to spreading God's Word. He always put the Lord first, followed directly by his family.

They only had one son but many children that they considered their own.

During his teaching career, Charles was the president of the local Oklahoma Education Association (OEA) and the spokesman for their negotiation team.

He and his wife Carla were in charge of a zone teacher's meeting for southern Oklahoma for several years. He was also on an OEA State Committee for many years. He was honored by his former students by being inducted into the "Order of the Arrow" with the Boys Scouts of America.

Even though his career was in public education, his career was dedicated to teaching anyone he met about life. Whether behind a school desk, a table, saw, a fishing rod, or a deer rifle, he lived to show everyone how God was in every breath. While at home with his family you could find him tinkering with a tool box, feeding cattle, or on a tractor. The man never was still a moment and never met a stranger past hello.

He is survived by his wife Carla, his son Charles III and wife Penni, Grandchildren Charles IV and Calin Lou of Ardmore, OK; his sister Linda Williams of Tuscola, TX; and a host of nieces, nephews and cousins. His family that was waiting and welcomed him into God's Heaven include his parents, C.E. and Mattie Brady, his sister Wanita "Danley" Plunk, and a host of his beloved family.

Services for Charles "Mr. Brady" will be Tuesday, March 28, 2023 at 2:00 pm at Elmore City First Baptist Church. His body will take a brief rest in Katie Cemetery until God picks it up again.

He and his family are lifelong Missionary Baptists. His mission in life was spreading God's Word. He always believed in giving flowers to folks while they were alive to appreciate them. In lieu of flowers, help continue his mission by donating to: The Gospel Station (PO Box 1343 Ada, OK 74821) or visit [thegospelstation.com](http://thegospelstation.com)

“ I had Mr. Brady in school for many years. I would make homemade Christmas ornaments around December and give them to my teachers. He hung those proudly in his classroom for years. He would always say “young lady” as I passed by and he’d point to the Christmas ornaments I made. He was always so kind to me. Sending my prayers for his family.

“ He was my shop teacher from the 9th grade until my senior year. As well as my drafting teacher. But the most fun we had was in Speech my senior year. He taught us more than just the fundamentals. He taught us a trade. How to work with our hands. And how to use our hands in our daily lives. He loved his job but most of all he loved us! With all this being said, not only was he my favorite teacher, he was my friend! I hate that I lost contact with him. But we will meet again! Ms. Carla, I’m sorry for your loss, but Heaven gained another saint!

“ *There isn't room in books for the memories. We spent about as much time in each others homes as we did our own. Hunting, fishing later driving all over everywhere around Ada and area. Charles was literally a brother to me.. LoL, actually a blood brother, but that's a story way too long to tell here. I will miss our long phone conversations. He was/is such a special person. We'll meet again in a sort while.*

“ *My cousin Charles loved people. He'd call our families in CA every Thanksgiving & update us on family. We'd always end in prayer for our families. I knew he was raised by a mother just like mine who loved Jesus with all her heart! "God is love, one who lives in love lives in God" We'll all miss him!*

“ There are only a few people that are part of one's life that can be called a real friend. Charles was one of those persons to me. He entered my life in 1970 when he came to Elmore City to teach. During our friendship, we laughed together, hunted together, drove school buses, and shed tears together. I will miss you dear friend. I know you are in a much better place. As the song "Scars in Heaven" says "The only scars in Heaven, they won't belong to me and you. There'll be no such thing as broken, and all the old will be made new. And the thought that makes me smile now, even as the tears fall down .Is that the only scars in Heaven are on the hands that hold you now. Rest peacefully in the arms of Jesus my dear friend.
