“ *I know this means nothing so late but I seen it tonight. I knew Charles back in 1996 when we both worked together. He was my supervisor one who I remember fondly. He taught me a lot & had such people skills. He was a great man who I called my friend*

“ You lived life to the fullest. You were funny, mischievous and lovable, and it was so much fun to hang out with you!
I will always remember , as a kid like 5 ish, riding in the back of your camero you driving with your falcon perched on the heat set with his hood on! I thought that was the coolest thing ever. You won the cool Uncle award hands down!
You would come to the farm to fly your Falcon and I would watch you throw something in the air and the falcon would swoop up and eat it. I know you had a great love for animals of all kind, but your cats were your companions in the later part of your life.
I love how you took time to talk to my kids and tell them stories and then again with my Grandchildren. They will miss you Uncle "Charlie" and remember you fondly.
We love you Uncle Charles and you will be remembered and loved!

“ Charlie and I played a lot of basketball and shared a lot stories growing up in Pauls Valley. We shared many dreams together in the late 1950's and early 1960's. One of the best friends I ever had. Rest peacefully Charlie Brewer. Friends forever. Gilbert Williams

“ Charlie was a great friend, and I have a thousand good memories of him! I remember I was dragging main with him & Geralyn! Geralyn was snuggled up close to him & I was in back seat. His falcon was riding shotgun on the back of the seat! You don't see a falcon on a date too often! Your old high school friends will get together and share many of these stories! We'll never forget you good buddy!

“ We miss you, dad. Your jokes, telephone calls, wild stories, your care, your laughter, your smile, talking about OU and hearing about your fishing stories...You loved and cared for everyone and you knew no strangers. We know you're sharing jokes with Phil and looking down upon us...we love you so very much. Thank you for everything.

“ I will miss Uncle Charlie. As a teenager he was one of my idols. That Steve McQueen smile was contagious. He made possible a series of firsts for me. First beer, first Falcon hunt, first Red-tailed Hawk capture, first concert (James Brown) . Other firsts that I hold as cherished memories and serve as a source of funny stories I gotten to share with family and friends. He was fun, a bit dangerous but I always felt safe with Charlie. I have not been able to see him much since those days but he will live on in my memory. I thank God for that. (Bill Chaufty)
