“ *I was Dr Howard's nurse for 19 years. We had so many good times together over those years. There are so many find memories of him. One of my favorites is when he came into work one day and said "Chris, I had to go to the eye doctor, and now I have to get glasses. I just hate spending money on those darn things! I looked at him and said. "Well, I guess you could look into a see n eye dog. He looked at me, shook his head and said. "Chris, I just don't know about you sometimes!!!! We had lots of good laughs. He was a great boss and doctor. He took great care of my girls when they were sick. He will be greatly missed. God bless the family. You will be in my prayers.*

Dr. Howard delivered my daughter in 1979. I think he was fairly new to Paul's Valley. He was a wonderful doctor and a very compassionate man.

“ Dr. Howard was a wonderful physician. He treated my oldest with great dignity and made sure hospital staff did as well when he was born. He was extremely comforting to a young couple facing a rough road with the birth of a son effected by a cleft lip and palate. I will be forever grateful. The world has lost a great man.

We were so sad to hear of his passing. What a wonderful friend, boss and doctor to us and our family.
