“ My heart breaks for you, Charlie, and Jessica. I hope knowing that she is free of the pain she has had to endure, will bring you some comfort.

I will always cherish my friendship with Charlotte. I loved her kind, caring heart. I enjoyed her sense of humor, and I adored her beautiful blue eyes. We talked about Avan, Memphis, and Maddie every time we were together, and via texting, and she was always genuinely interested in their lives. When we had to put our dog to sleep, Charlie was the first person I called, and Charlotte came immediately, and stayed with me for hours. She was a true friend. I will miss her.
