“ Cheryl was a great lady. My first Christmas at the DA's office she made homemade caramel popcorn. I told her how much I loved it because it tasted just like the caramel popcorn my grandma made. After that, every birthday she always made it for me. She was so considerate of others, was absolutely the rock of our office, and I sure do miss her. Prayers for her family.

I only today learned of Cheryl's death while searching for another obituary. I was shocked to not have learned it elsewhere. She was such a special person to me. I worked at the law office of RB Garvin and then Carroll Bowie as my full-time career over a period of almost 18 years and then Thor another 5 years I bounced from Dan sprouts 2 Bobby Rainey Jr and Debbie Hampton's law office. Sarah was so nice and kind and helpful and always when I needed anything from the court clerk's office. As well, we called ourselves kissing cousins as my aunt Anna Tomlinson was a Nesmith and related to Cheryl's mother. I do not know the circumstances of her death but hope she did not suffer. She what such a good example of a dedicated worker in the court clerk's office, but her most important job was being a loving wife and mother to her family. She spoke so well of all of them. I noticed she had not been on Facebook lately and I was getting concerned about her. Please accept my sincere condolences. I loved her so much.

“ I am saddened to hear of Cheryl's passing. Cheryl was a wonderful person that was always willing to help. I left Pauls Valley 20 years ago but when I would call the DA's office and she answered, she was still the same awesome person and I could tell she was smiling while we were speaking. Prayers for the family.

“ I will always remember Cheryl by her cheerful disposition and smiling face. I work at the court house and when I would run across her she would inevitably have that beautiful smile on!! Always ready to help anyone. She will be greatly missed by all. Absent from the body but present with the Lord. Waiting for the rest of us!
