“ *I have great memories of this loving, giving woman. She had a great spirit and was probably the most generous person that I ever met. My family will always remember our visits from the Easter bunny, so she will never be forgotten in our family. My heart goes out to you because I know she was loving and enjoying being a grandma and I know she will be missed.##imported-begin##Robin Newton##imported-end##*

“ Cheryl was as loving and giving person. She was always willing to be used by God to meet others needs. God will grant her many rewards in Heaven because of her dedication and obedience to Him.

May God give her family the peace that passes all understanding, knowing that she is in God's loving arms.

I pray that each one in her family will know that same peace that Cheryl had
