Chester was born May 28, 1950, to Albert Thomas Clark and Lorene Billie Jean (Brown) Clark, in Wynnewood, Oklahoma. Chester liked Running the creeks, skipping school, and having fun as a child. He even put money in a Prince Albert can, hid it in the creek and forgot where he had hidden it. He was a fun and energetic young boy who worked hard and even carried that into his adulthood. He was a high school graduate of Elmore City High School. He believed in hard work and taking care of yourself. He never met a stranger and would give the shirt off his back if someone needed it. He met, fell in love, and married Betty Sue (Johnson) Clark, on March 07, 1971 in Gainesville, Texas. He worked in the oil field and was a roustabout, lead pumper, later becoming the boss. He loved to fish and hunt deer. Chester adored his family and especially loved his grandchildren and great-grandchildren. He thought the world of them and would do anything for them and the rest of his family. Overall, he was a jack of all trades. If he could do it, he was doing it.

*Beautiful family picture .... my thoughts and prayers remain with you all. Your family has been handed a huge amount of loss to endure within a 10 day span and only you can know the pain, sorrow and grief associated with God calling home two precious brothers within a short amount of time.*

*Please know that there is no right or wrong way to grieve and no expectations of you on how you put one foot in front of the other for even minute for minute decision you make in dealing with these losses. However, please remember that you have a extended family everywhere willing to just sit and listen, take a walk with you or just be by your side if you need us because we so very much want to help.
