

## Chip Howard

December 8, 1964 - December 16, 2017

Charles Wendell (Chip) Howard II went to be with the Lord on December 16, 2017. He was born to Charles and Linda Howard on December 8, 1964. Chip lived in many places during this life but called Pauls Valley, Oklahoma his home. It was there that he met his high school sweetheart and love of his life, Nancy Smith.

Chip graduated from Pauls Valley High School in 1983 and went to Oklahoma State University to study agricultural economics. He graduated with a Bachelor of Science degree in December of 1989. Chip and Nancy went to OSU together and were married on August 6, 1988. They began a life as a married couple in Stillwater and soon moved to Massachusetts, where Chip worked as a cranberry farmer. He always had a love for the outdoors and continued to farm throughout his life.

Chip and Nancy welcomed their son, Caleb into the world in Wynnewood, Oklahoma and then their daughter, Bethany in Elmore City, Oklahoma, where he lived the remainder of his life.

Chip was a giver and a provider to many people. He opened his heart and home to anyone who needed it over the years. He was a persevering hard worker and an entrepreneur throughout his life. He started rural sanitation services in 1993 and eventually sold that business to begin Blue Moose

portables and ACT containers. He also enjoyed picking pecans, baling hay, and maintaining his cattle and honeybees. He was a member of the Garvin County Fair Board where he served as president the last few years. Chip was a also member of the First Baptist Church of Elmore City.

Chip loved his family more than anything. He is survived by his wife Nancy of 29 ½ years; his son and daughter-in-law Caleb Anderson and Destiny Noel Howard; his daughter Bethany Jo Howard; his parents Charles and Becky Howard and Linda and Jim Edwards; his brother Jared Howard and his niece Jordan; his step-brother Scott Woods; his step brother James and wife Mikal Edwards and their children; his step sister Janet White and husband Keith White and their sons; his mother and father-in-law L.D. and Sammy Smith; his brother and sister-in-law Max and Sandra McKnight and their children.

In addition, Chip is survived by the many Blue Moose and ACT employees that he cared for as if they were his own family.

“ I can remember one day when I was very young I had an odd shaped present show up at my house. If my memory recalls it correctly I believe it was wrapped in a cream colored paper and I was so curious. The day I peeled back the paper I uncovered what would turn out to be one of the most special things I have ever received. It was beautiful. I had received an egg. A huge, beautiful, bumpy, dark turquois colored egg. An Emu egg to be exact and I knew exactly where it came from. I was always admiring the emus at my cousin Caleb and Bethany’s house when I went to play. Their parents Chip and Nancy had chosen to give me this beautiful egg and I was thrilled beyond belief. It is still one of my most prized possessions.

That day is far from the only time I recall Chip bringing a smile to my face. Over the years Chip has been a sweet and loving encourager. I didn’t realize back then that all the visits and the summertime odd jobs were actually one of the ways he taught me. He always did his best to provide me opportunities to better myself or to learn a lesson. He always chose to see the good in me even when I wasn’t particularly showing it at the time. Even my Husband Coby says that he had to have saw something in him all those years ago because Chip was the only man in my family that didn’t try to run him off when we started dating in school.

I have so many memories that I am blessed with because Chip was in my life. I know that I am far from the only person that can say that because he was a giver. I will forever cherish the time spent with him and the role he played. Chip will continue to influence me and the decisions I make as I try to be even the tiniest percent of the giver he was. My family and I will miss him deeply.
