*What do you say about a brother that has always been as sweet and loving as my brother " Coonie " my heart is broken and my days and weeks will be so lonely without him , after I lost my husband he was my " rock " he never failed to call me at lest three times a week or come by for a cup of coffee and offer his help anyway he could or pull a joke on me to cheer me up . He was a good family man loved his family and his God . He is standing with Jesus now and waiting on all of us to be together again someday . I love you little brother I will see you soon.*
