“ I am so sorry to here this.. From the 1st time I meet gene at the Bar in Wynnewood Oklahoma we hit it off.. And became really good friends and hung out a lot.. But I moved and got married and just lost touch with him.. When I moved back He didn't live in Wynnewood any longer.. And I had no way of getting back a hold of him.. And today I came across a letter he had sent some time back saying he had moved to the city.. I will miss my friend that's for shore.. And so will my wife.. He was all ways so happy.. And kind to others And will be missed by so many people..

With lots of love your friend..

Ray Henderson..

P.S. I will see you again my friend.. It may not be today or 30 yrs..

“ You brightened everyone's day who had the privilege of being in your presence and I was truly blessed to be able to call you my dear friend. Our classmates were always so important to you and you always tried to keep up with each of us. We will miss your laugh, your sparkling eyes, and your sense of humor. I'm so glad I was able to spend some time with you in June-you will always be #1 to me.

“ *Dear Family...
I am so sad to learn of the passing of Gene. We graduated from WHS, Class of '66, together and we had lots of great reunions thereafter...many of which Gene organized and some were held at his house. Gene was a kind and gentle person who was always willing to help those in need. Gene was a good friend and I will miss Gene! He was always so nice to me and I think we are all better because we knew Gene.
My kindest regards,
Bill Etheredge*
