

Clifford Crandall

July 17, 1966 - February 18, 2020

Clifford Leo Crandall of Blair, Oklahoma was born to John and Alice (Hill) Crandall on July 17, 1966 in Grand Rapids, Michigan and passed from this life on February 18, 2020 in Oklahoma City, Oklahoma at the age of 53 years. Clifford grew up in a family of 15 with lots of struggles but was always kind and tried to help others. He loved being outside walking in nature. Clifford was disabled because of muscular dystrophy but never slowed him down, if anything, it put a pep in his step and kept him going longer than anyone said he would. He enjoyed his family, nature, being outside, farm animals, and cooking. The highlight of his life was his family. The most important thing he taught others was to never give up. Clifford was hopeful that someday a cure would be found for M.D. so no one would have to suffer like he or his family did.
