I often speak of a LPN that I worked with at Integris SW Medical Center. She was just as good, if not better, as any RN. She was my right hand. Dee never let her handicap get in the way of taking care of patient care. I thank her for the many years of teaching me and working with me. I could always count on her as a partner and friend. I will forever remember how we reflected our shift and watched out for each other to keep each other safe after our midnight shift. Forever in my thoughts. Sharon

Dee was a wonderful nurse, I still picture her with bag of Cheetos and her bottle of Dr Pepper , she always had a smile on her face despite being in pain , she never let that keep her from doing her job. See you will always be in my thoughts. Sarah Long

*I worked with Dee at Jim Thorpe Rehab Integris Hospital for a few years. I'm gonna miss that laughter with giggles. She will point her finger at you as if she is giving you some serious talk and then burst out with laughter. She will be missed.
