“ *I saw today all the people that loved you and they told the things you did to make them laugh and all the good memories you gave them.*

I will never ever forget all the memories you gave to me. Love you forever because I got to be your son and you were my mom##imported-begin##JAY H arden##imported-end##

“ *Grandma, we love you very much and will miss you. Thanks for all the wonderful memories of spending the summers on the farm: fishing, my first horse, watermelon, fried chicken, hot summer nights on the back porch talking and playing with cousins. How can I write 50 years of memories? Thank you most of all for my Daddy and two great uncles and thanks for being a "great" Grandma I love you. “ A wonderful grandmother who will be missed. We will remember her
as being a strong and stoic woman, great cook (especially
homemade rolls and fried okra), always a big smile and happy to
see family. She always said come here and give me a hug. WE love
you and look forward to talking to you again in heaven. Allan,
