We are so so sorry about David's passing!!! James and I both have special childhood memories of David. He was my 2nd cousin, so we spent lots of time together growing up, as my mother, my granny, and David's mother spent a lot of time together. James knew David and his brothers in school. In fact, James told me yesterday, I knew David before I knew you! Even though we didn't see David as regularly after we grew up, he still has a special place in our hearts!! We are praying for his precious family during this most difficult time. Sorry we won't be able to attend the service tomorrow, but know our thoughts and prayers will be with all of you!!!

“ I have been sharing some great stories with my family about David from my childhood. Some of the best times from when I was a kid included the Garretts. Thanks for the awesome memories! Don't cry because it is over, smile because it happened.
