“ To Opal and Your Family, I want to express my sympathy to all of you in your loss. I don't know any of you, but I knew Paul Jr. (as we called him) growing up in Elmore City. I knew his parents, and older siblings. I was in the same class with Gene Ray. In the last few years, we got to see Paul Jr. and Gene Ray when they came to alumni gatherings at Elmore City. I want to express my sympathy to all of the family members in their loss. May God Bless You All and give you comfort as you face the coming days.
