She loves her family beyond measure! I do know she once had an itch to skydive and didnt get to, so I know now shes flying high in the sky!

“ Deanna had the most contagious personality. I'm so grateful I had the chance to get to know her through my friendship with Sarah. I adored her spirit and love for life and family. She was always the life of the party. Her beautiful smile and laughter lit up the room. She loved with her whole heart and I think any child around her truly thought she was their Granny, I know my son Braxtyn did. She will be greatly missed. Love and prayers to all of her family.
