“ *Debbie was the class of 76 sweetheart, she seemed to always be nominated to represent our class, not only as homecoming queen but I know she was proud of being our FFA sweetheart. She cared about everyone and keep some of us in line when we needed it. Haven't seen or talked with her for 20 years but I am sure she continued to touch peoples lives. I will always have special memories of her and grieve for the family in this huge loss.*

“ Was so sorry to hear about Debbie. She and my daughter were the same age. We remember her as a beautiful teenager so it's very hard to process this. Please know my family and I are praying for all of you.
